SAP Supplier no:

126206

SAP Notification no:

1000077047

Attention: John Williams, Commercial Manager

Subject: **Airbus Canada Supplier Approval Letter**

Dear Mr Williams,

Airbus Canada Limited Partnership (Airbus Canada) is pleased to inform you that **A&G METAL TREATMENTS LTD.**, located at the above noted address, is now approved and holds the following Airbus Canada approval(s):

- A2PS 160-044 - HEXAVALENT CHROME FREE CONVERSION COATING

Scope: SurTec® 650 V chromitAL® Retouche for Type 2 (RFD 300225A).

Limitation: Temporary approval until 1st of September 2026.

This approval will be maintained on the condition that your company continues to comply with the relevant clauses of our *QMS-09-01 - Airbus Canada Supplier Requirements*, and maintains acceptable product delivery performance.

Airbus Canada Quality may elect to audit your facility at any time during or prior to any contract, in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment or management.

Your approval status will be periodically reviewed. Based on supplier performance, the approval status of your facility may be revised. It is Airbus Canada policy to purchase only from approved suppliers, who meet our standards of quality and reliability. We look forward to building a mutually beneficial and lasting relationship, driven by a desire for continuous quality improvement.

Sincerely yours,

Keila Beltrame Fonseca, Quality Procurement
